A Message from the ALDCR President

Let's keep the momentum going!

Members, who were able to attend, enjoyed a successful ALDCR Junior Show, National Sale and Annual Meeting. The quality of animals in the Jr. Show was exceptional, the facilities were great, cattle sold well, weather was awesome, meeting was productive etc... (Results, reports, recaps can be found elsewhere in newsletter) It was nice meeting so many new people, connecting faces of others, to their names and visiting with "old" friends. I would again, like to say "Thank-you" to everyone who had a part in making it a very special event. It is awesome to see everyone working together toward a common goal.

Membership input is necessary to make this organization evolve. Committees need your assistance. Please consider choosing one that is of interest to you and offer your support.

Good luck to each and everyone as you progress through the 2014 show season. Continue to promote the breed, your cattle and the Association. Reminder: results should be sent to Royell, to be included in the newsletters.

I would like to say, "Thank-you" to Bob Bashore for his 2 years of service on the Board of Directors, as he resigned the position effective May 17, 2014. I would also like to welcome Jill Kopfer, who was elected to the board to complete his term.

Let's keep our "ball rolling in the right direction".... *Courage grows by moving forward....Fear grows by holding back.*

FEATURED BULL

Clifford the Big Red-Lineback Bull!

At "Dubeco Dairy", located in Lebanon, PA, they are milking around 300 cows. Owners Duane & Becky Copenhaver and their 6 kids, got their first Lineback bull in 2005 now they have around 30.

The Copenhaver family has been showing American Linebacks for 9 years at the *Lebanon Area Fair*. Each year taking home some kind of purple (champion) ribbon.

Breanne, 18, oldest of the Copenhaver's children, is the herdsman of the farm, as well as, the breeder and owner of our "Featured Bull" —Clifford. The Copenhaver's started by saying, "We decided to take our best Red and White Holstein and breed her to the classy "Plenty-Good Ross Mystic-Red" and we got a very fancy Red Dark-Sided Witrick bull calf!"

Clifford's Dam, "Cherry", was purchased as a 2yr old, and scored VG86 as a 3yr old! She was shown at *Lebanon Area Fair* (known for its high quality show cattle) and "Cherry" placed first as a Senior 3yr old in the 4-H show and 4th in the Open Red & White Show. Later at the district show she placed first again and received Best Udder in the class! At the *PA State JR Show* "Cherry" placed first, and then again at *Premier National Junior Show*. Following in his dams hoof prints, "Clifford" was shown at the *2013 National Lineback JR Show* where he placed first in the "Bulls Under One Year" class!

Summary of Annual Meeting

Meeting was called to order @ 1:55 PM

The minutes of 2013 Annual Meeting were presented and accepted as written.

Treasurer's Report was presented and accepted. Account balance on December 31, 2013 was \$ 27,910.04. Books have been audited and found to be correct.

Board actions enacted since last general membership meeting were reviewed. Board is working on updating the ALDCR "Mission Statement" and formalizing a budget.

Registrar, Marjorie Kuszlyk, presented a brief report. There were 201 animals registered during the moratorium (October-January). It was recommended we hold another one in the future. The newest Lifetime Members, Andrew and Corinda Snook of Middleburg, PA were introduced and welcomed.

A quick report for both the Junior Show and National Sale were given. Thanks were given to all individuals who had a role in making the day's events so successful.

The current structuring of committees was explained. We are counting on members to volunteer to become members of the committees. Committee members will choose their own chairpersons and committees will communicate with the Board of Directors through an assigned liaison.

This was followed by an election to fill the two Board seats currently being held by Ruby Bollinger and Brenda Leggett. Both were re-elected to another 3 year term.

Board member, Robert Bashore submitted a letter of resignation, effective immediately. A special election then took place to select someone to serve out his term (1 year). Jill Kopfer was elected to do so.

All officers were re-elected to fulfill another term.

An explanation of the upcoming photo contest was given by Royell Bashore.

New York State Fair is having a "Heritage Breeds" show on August 23rd. If anyone is interested in showing... contact information was given. John Kuszlyk also offered to provide transportation for cattle from the Harrisburg area if there was enough interest.

Income from today's "fun auction" was \$745.00. (\$540.00 went to the Jr. Show and \$205.00 for Breed Promotion). Everyone thanked that had donated items and/or purchased items.

Sale results were announced: Averages — \$1750 (cows), \$1123 (heifers), \$1150 (bulls). ALDCR commission was \$1586.40.

Discussion followed suggestions were made to scheduling the 2015 Sale date sooner and to keep the sale at one place rather than moving it around. Many felt late in April was better than the middle of May. It was decided to have the 2015 National Sale in Middleburg, PA. Barnard was asked to try to set a date as soon as possible.

Meeting was adjourned @ 3:05 PM.

Member Spotlight

Andrew & Corinda Snook

Our newest “Lifetime Members” of the ALDCR are Andrew and Corinda Snook, of Middleburg Pa. Both Andrew, “Snook” as he’s referred to by many, and Corinda are new to the American Lineback breed but not to the dairy industry, they both grew up on dairy farms and showed as kids.

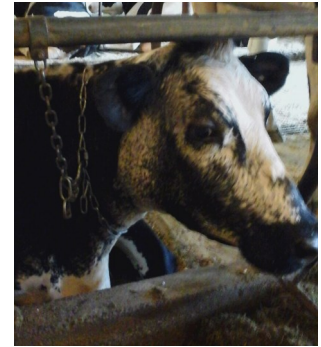

In May of 2013 Snook and Corinda started milking when they bought the herd from Snook’s dad. And then in September 2013 they purchased some cows from Corinda’s grandparent’s herd. The Snooks then married in October of 13’, and currently milk on Andrew’s family’s farm located just outside of Middleburg, PA. They milk between 50-57 cows and have about 110 total animals in their herd, and about 10 Linebacks total, with more to come this fall!

They bought their first Lineback breeding bull from the Adams family, “Go Jo Farms” to breed their young stock to and although that maybe the cause for Lineback calves that’s not how they got started with the breed.

The Snooks got started with Linebacks after they took some interest in them at their local fair. Then, Andrew bought the first Lineback, named “Vixen”, as a Christmas present for Corinda! (awwwww, how cute!)

“Vixen”

“Vixen” was bought from a cattle jockey, so they don’t know much about her, but they thought it was great way to “get there foot in the door” with the Lineback breed, and it worked she had two heifer calves for them so far, one calf is even a red & white Lineback! “Vixen” is currently bred to “Plenty-Good Ross Mystic-Red”, but her other calves are sired by “Go Jo Mr. Dave” and “Go Jo Sam”. “Vixen” may be the only Lineback cow that the Snooks have milking at the moment, but they are pleased, because in her second lacion-6weeks fresh, she had 97lbs on test, and looks like she’ll be making around 22,000lbs!!

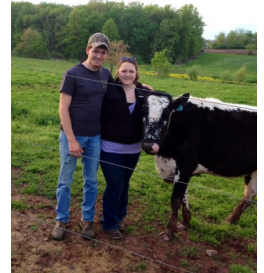

A few Lineback heifers the Snooks own

***On behalf of the ALDCR we want to WELCOME Andrew and Corinda Snook to Lifetime Membership and wish you, continued success with the Lineback breed!!**

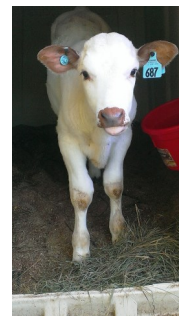

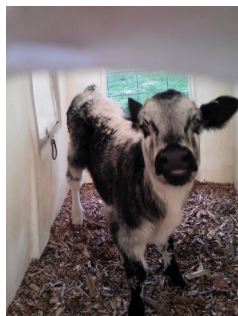

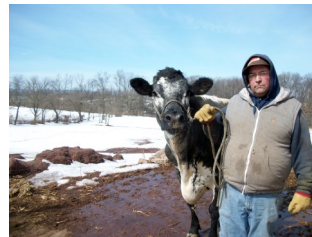

A huge CONGRATS and THANK YOU tot all who participated in the first ever ALDCR Photo Contest!!!
