Editors Corner

Fellow Lineback Breeders,

I hope you are each doing well and enjoying the change in the weather, while constant rain may not be the ideal for starting or finishing of corn planting, I am glad we are out of 30 degree temperatures in South Central Pennsylvania. As always, I have been busy! I am working on a few possible new ideas for the Newsletter, which I came across while looking at early editions of Between the Lines. Additionally, if you have an idea or are interested in taking on an element of the newsletter please contact me at betweenthelines1985@gmail.com.

Last year's summer issue featured Lineback Classification Results- they are coming! I received collaboration from Brown Swiss again for the results but am still collaborating with Dennis, Registrar to finalize them. I have noticed a drop in herds classified from 2016 to 2017, I do encourage you to consider classifying- it helps to provide evidence of the traits offspring receive from their sires and dams. Classification can also assist you in making important mating decisions and adding value to your cattle.

If you were able to attend the ALCR Annual Meeting following the conclusion of the Sale, you are already aware that I have stepped in to serve as the Interim Secretary. In that roll I am now the person who organizes the packets for new members, and mails them. I have been able to accurately update the mailing lists for the newsletter. Also, I keep sale and show catalogs and other items for future historical reference. As the Officers and Directors begin to prepare for the next BOD meeting, please contact any officer with questions, comments or concerns which you wish to be brought forward to the BOD.

Lastly, as summer rolls into full swing so does show season for many youth, and adults alike. I hope you have a chance to look over the State lists of shows where Linebacks can be exhibited- maybe you've even considered going to an additional fair or two! After the shows are over, if you have a chance- send in a full Lineback show report and a few pictures!

-Deidra Bollinger

Congratulations Juniors & Best wishes at the shows this summer!

Thank-you Youth Show Committee for all your hard work in making the Eastern Regional Show a Huge Success!

Thank you to the Andy Pownall 4X4 Memorial Drive for the Youth Show Shirts!

Presidents Message

Hello and Happy Summer,

Like many of you, I'm glad summer has finally arrived. Its finally time for fieldwork, picnics, parties, fairs, and cow shows!

Just recently the Eastern Regional Lineback Show was held at Beaver Springs Fairgrounds in Pennsylvania. Our very own BOD Andrew Snook and his wife headed up the task for a junior and open show along with the help of others. It was a huge success and I hope it continues on for the future.

As I was there I met more people becoming involved with Linebacks. I enjoy meeting these people and encourage everyone to reach out and take the time to talk to new breeders and new enthusiasts about the breed, the dairy industry, and just create new friendships. We are a small breed that wants to grow, so lets reach out and welcome newcomers as we head to our local fairs and shows this summer.

It has come to my attention that there are some issues with registering animals in a timely fashion. Myself and the Board are very aware and we are working to make the process smoother. Please be patient and contact myself, Nedra Koller or Dennis Russell, if you are experiencing any difficulties registering your cattle or receiving papers. I hope everyone can enjoy the rest of their summer even through all of the challenges this past year has brought.

Best Regards,

Joseph Stowe
